## Services offered by SAWN on a community and one-to-one basis

**Furniture Bank**

- We offer a low-cost furniture pack to people on low income at a discount and sometimes gift some items to people in need. Items include basics like a bed, wardrobe, sofa, dining table and chairs. The client should be accompanied by the referrer. The referrer has to provide or pay for the transportation of the item/s.

**Female Genital Mutilation (FGM) Awareness & Support**

- We offer a place for women to understand the impact of FGM and to speak about it unjudged, offer support and to meet other women who have been victims or are at a risk of FGM.

**Stones and Roses Achievements to Independence – SARATI**

- SARATI is a safe space to get information, make friends, connect with the community and learn about opportunities. It is a space where we invite professionals and experts to talk about different issues that affect Black African women. Such as harmful cultural practices, HIV, domestic violence, racism and immigration.

**Projects that women can be part of:**

- E-visas- Supporting people to digitalise their visas.
- Growing- Nurturing nature and self in accessible space
- DV Work – Support for women going through abuse
- Employability- with Get Oldham working and job preparedness
- Talk English- Support to speak and communicate in English.
- Community Research work- Transforming research with their lived experience.
- Immigration Drop In- Once a month every first Wednesday to support people with immigration issues.
- Turn2Us-Campaign work on NHS Surcharge and other issues.
- Mama Hub Drop in- Support from partners on different life issues.
- Digital inclusion- Providing basic digital skills
- Housing support- Providing support with housing and related issues
- Choir- Women can be part of a robust choir learning and contributing
- USTAWI- Access to culturally appropriate mental health support and counselling
